Ordering

Minimum opening order is 400 USD. Minimum reorder is 250 USD.

Orders received before 14:00 Pacific on a business day ship the following business day. Orders after that cut-off ship in two business days.

Freight is free on orders above 750 USD within the continental United States. Below that threshold, freight is charged at cost.

Refrigerated items ship Monday through Wednesday only, to avoid a weekend in transit.

Payment Terms

New accounts are prepay for the first three orders. After that, net 30 terms are available on application, subject to a credit check.

Invoices more than 15 days past due incur a 1.5 percent monthly late charge. Accounts more than 45 days past due are placed on hold.

Volume Discounts

Annual spend above	10,000 USD	3 percent
Annual spend above	25,000 USD	5 percent
Annual spend above	60,000 USD	8 percent

Discounts are applied as a rebate at the end of the calendar year, not at the point of invoice.

Freshness and Returns

All whole bean coffee is roasted to order and shipped within 72 hours of roast. The roast date is printed on every bag; there is no separate best-before date.

Whole bean coffee is at its best between 7 and 28 days after roast. Ground coffee is not recommended for wholesale accounts and is supplied only by exception.

Returns are accepted within 14 days for unopened product in original packaging. Coffee that has been opened may only be returned where there is a quality defect, which must be reported with photographs within 7 days of delivery.

Refrigerated Cold Brew Concentrate cannot be returned under any circumstances once it has left a Meridian facility, because the cold chain cannot be verified after the fact.

Private Label

Meridian offers private label roasting at a minimum of 200 kg per SKU per year. Lead time for a new private label SKU is 10 to 14 weeks including packaging design and food-safety review. Private label pricing is quoted individually and is not published in this catalogue.

Samples

Prospective accounts may request up to three 250 g samples at no charge. Further samples are charged at wholesale price.

Equipment and Support

Meridian does not sell or lease brewing equipment. Accounts spending above 20,000 USD annually receive one on-site barista training session per year at no charge, delivered by a Meridian trainer.

Additional training sessions are 450 USD per half day plus travel.

Marketing Support

Accounts receive origin cards, a printed brew guide, and window decals at no charge. Custom point-of-sale material is quoted separately.

Use of the Meridian name and logo requires written approval and must follow the brand guidelines supplied on account opening. Approval is typically returned within five business days.
